

Tumbled Products

Tumbled Irregular is another by-product of our flagging. Using the mill ends of bluestone, this stone is then tumbled with water to produce a smooth texture with rounded edges. The same colors as our bluestone flagging are available. Tumbled Irregular looks great as a patio stone or as a retaining wallstone.

Tumbled Irregular Wall Stone

Tumbled Pavers

Tumbled is also available in square cut sizes. This stone looks great for any application, giving your project a cobblestone look. Available sizes are: 6" X 6" - 6" X 9" - 6" X 12" 12" X 12" - 12" x 18" Special sizes are available upon request.

Tumbled Irregular Paving

Produced right here at Herb Kilmer & Sons, Tumbled Irregular Paving is available in 3 different colors. The sizes range from 18" in diameter up to the size of the pallet.
